Also complete this part to provide any additional information. See instructions.

Part I, Line 2:

Needs are communicated through a proposal process. The projects are evaluated and prioritized. Development will make appeals based upon common needs across multiple entities or for a specific affiliate. Grants are ultimately awarded based upon dollars raised and the needs communicated. While operating independently and under different leadership, foreign affiliates operate under a common charter which aligns mission and operations. Additionally, ministry partner agreements outline specific accountabilities for specific grants and results are regularly communicated back to FEBC-US. The organization monitors its grants and other assistance (and re-grants) to ensure that such grants and other assistance are used for proper purposes or aren't otherwise diverted from the intended use. Regular field/site visits are required to be scheduled with designated representatives of FEBC-US. Any additional follow up is addressed on an as-needed basis: examples would include Financial and/or Operations Audits by FEBC-US or its designated third party agent.

Part I, line 3:

The U.S. operations records funding of affiliates as an Affiliate Grant Expense. Missionary payroll are paid via the same payroll system as U.S. Employees. Expenses reviewed are typically reimbursed when documentation is submitted to the accounting office in La Mirada, CA. Expenses are recorded using the accrual method of accounting.
