

PRAYER TARGET

“Rejoice in hope, be patient in tribulation, be constant in prayer” (Romans 12:12 ESV).

We are seeing unprecedented numbers of unreached souls throughout Asia and around the world tuning into FEBC broadcasts. They are desperately looking for comfort and hope in the midst of the coronavirus pandemic.

I believe God is preparing these hearts to receive Him, to replace their fear with hope for this life and for all eternity.

As you join with us in praying for the daily prayer requests this month, please unite with us in prayer that...

- God will keep FEBC broadcasts on the air to deliver the Gospel to those who are seeking Him.
- FEBC staff can continue to answer every urgent Kingdom question and bring these hurting souls to faith in Christ.
- This global health crisis will spur a great harvest of souls who may otherwise live and die without knowing of Jesus' infinite love and sacrifice.

Thank you for your commitment to pray with us...we are trusting in God's promise to be in our midst as we seek Him, together, in fervent prayer for the unreached!

Until all have heard,

Edward W. Cannon
President and CEO
