

Saturday, July 18 – Years ago FEBC made the decision to offer Gospel broadcasts in ethnic languages, because people respond best to the Good News in their “heart” language. *“Your program had very interesting songs in my native style. They were all about God and faith and worship. I had never heard this before in my mother tongue. I want to tell you that hearing about Jesus in my language was awesome! He is now my Jesus and I walk with Him every day! Thank you.”* Pray for many more to respond to His call.

Sunday, July 19 – Please pray for our teams in **Mongolia**. Pray for opportunities to bring the comforting words of Jesus and His message of hope to this nation of 3 million. Long held in the grip of atheism due to the influence of the former Soviet Union, Mongolians are now responding to the gift of salvation, especially younger generations.

Monday, July 20 – A listener in **South Korea** writes: *“My family and I were exposed to the amazing grace of God and His unending love in the midst of the pandemic thanks to FEBC radio. FEBC is truly precious and so valuable to us simply because it provided us with hope and a special opportunity to worship in the midst of a difficult situation. Praise God for FEBC and its great ministry!”* Pray that all those who tuned into FEBC programs looking for hope and peace found it through Jesus Christ.

PRAYER TARGET

July 2020

“To them God has chosen to make known among the Gentiles the glorious riches of this mystery, which is Christ in you, the hope of glory” (Colossians 1:27).

PRAYER TARGET

*“To them God has chosen to make known among the Gentiles the glorious riches of this mystery, which is **Christ in you, the hope of glory**” (Colossians 1:27).*

Today, people around the world are facing difficult circumstances and hardship... especially during this global pandemic. People are desperately searching for hope in the middle of chaos.

How encouraging to know that the Lord’s promise of hope flows throughout scripture. As followers of Jesus Christ, we have received the gift of hope that the world longs for. This gift is the good news of the Gospel, of Jesus crucified, buried, and resurrected...the message of *Christ in you, the hope of glory!*

God has called and inspired us to bring this great message of hope to all people, praying that hearts and minds will be open to receive it. As we lift our petitions before the Lord, may He fill our hearts with the same compassion He has for the lost.

Thank you for your continued prayers for FEBC and for partnering with us to share Christ to the world.

Until all have heard,

Edward W. Cannon
President and CEO

Thursday, July 2 – FEBC **Philippines** owns and operates 13 stations. Pray for the dedicated staff who took turns living in their Manila offices for 2 weeks at a time, in order to share 24/7 health updates on COVID-19, as well as biblically-based messages to bring hope and comfort to listeners as they grappled with the pandemic. Praise God for their commitment to the people of the Philippines!

Friday, July 3 – FEBC saw a sharp rise in listenership when people around the world were advised to “shelter at home” due to the virus. Pray that many of these new listeners will continue to seek God in the months and years ahead. He wants nothing more than to see His Kingdom grow. Please pray to that end.

Saturday, July 4 – The annual U.S. Independence Day celebrations held throughout the country may have to be observed differently this year due to social distancing. While this might be disappointing, our true freedom is found in Jesus Christ, who told us in John 8:32: “You will know the truth, and the truth will set you free.” Rejoice in the truth of our Lord and Savior!

Sunday, July 5 – In **Malawi**, a listener shared: “*We’re so blessed to be able to tune in and learn how to strengthen our spiritual walk with the Lord.*” Please pray for those who have yet to respond to Jesus through FEBC programs and discover that God sent them a Savior...a gift beyond measure!

Monday, July 6 – FEBC broadcasters invest much time and effort into sharing the Good News and teaching listeners about Jesus’ command to forgive and love one another. Praise God that a listener from **Indonesia**

responded to one of these messages and repaired a broken relationship. Please pray these messages will continue to be fruitful and speak into the lives of listeners, their families, and their communities.

Tuesday, July 7 – Please pray for the FEBC team in **Myanmar** who are building relationships with both Christian listeners and non-believers. Ask for God’s encouragement for staff and listeners alike, as COVID-19 cases continue to cause illness and death. Pray for God’s mercy.

“I found your program by accident and my life has been revolutionized!”

Monday, July 13 – A listener from **Russia** writes: “*I used to listen to you on the radio, but then I found you on social media. I always learn a lot from your programs. I once prayed to Allah, but now I pray to your Jesus. In Islam, Jesus is a great prophet. But as I began to pray to Him, I feel like He is not just a great prophet, He saves us from our sins.*” Pray that this listener will continue to grow in his understanding of who Jesus is.

Please pray for these churches and volunteers who are helping others in Jesus’ name.

Thursday, July 16 – Pray for FEBC teams around the world who respond to listeners’ questions about faith. Pray that God will give them wisdom as they share the remarkable gift of salvation.

Friday, July 17 – Pray for broadcasts that reach Christians in the **Middle East**, who must often meet in underground churches to worship. Pray that the words they hear will sustain their hearts and increase their faith in Jesus.
