YOUR DAILY PRAYER GUIDE FOR THE UNREACHED

UNREACHED PRAYER FOCUS:

KYRGYZ

The Kyrgyz people are a traditionally nomadic ethnic group in Central Asia, who live primarily in Kyrgyzstan. Many Kyrgyz communities still rely heavily on livestock for daily survival, especially in mountainous regions where agriculture is difficult.

Most Kyrgyz identify with Islam—often more as a cultural identity than a practiced faith. For those who choose to follow Christ, the decision often comes at great personal cost. New believers may face rejection from family, social isolation, and even threats from extremist groups. In some areas, local authorities offer little protection, and Christians are left vulnerable to rising hostility.

Despite these barriers, God is moving among the Kyrgyz. Small communities of believers are growing in courage and faith as they share the Gospel with others in their culture—often at great risk.

PRAY FOR KYRGYZ

☐ **Monday, September 1**

Pray for the nomadic **Kyrgyz** people in Central Asia to hear and discover the life changing message of the Gospel. Ask the Lord to bless the small communities of believers and guide them when faced with rejection from family and friends. May listeners find comfort and community through FEBC's broadcasts and Bible teaching programs.

☐ **Tuesday, September 2**
