YOUR DAILY PRAYER GUIDE FOR THE UNREACHED

UNREACHED PRAYER FOCUS:

THE RAKHINE

The Rakhine are an unreached people group of around 2.7 million people living mainly in western Myanmar (Southeast Asia). Most follow Buddhism, and their region is filled with temples. Fewer than a few hundred Rakhine are believed to be Christians.

The Rakhine speak a Burmese dialect, and most families depend on farming or fishing, as they have for generations. Known for their generosity and resilience, the Rakhine remain resistant to the Gospel. The first Portuguese monks arrived in the 1600s to share about Jesus, and many missionaries have followed, yet only limited fruit has been seen. Today, the small number of Rakhine believers are spread across different denominations, making it difficult for churches to unite in their efforts.

Just recently the Bible was translated into the Rakhine language. FEBC also began broadcasting in the region a couple years ago. Now, the Rakhine can hear the Gospel in their heart language over the airwaves, and in the written word.

PRAY FOR THE RAKHINE

☐ **Monday, December 1**

Pray for the 2.7 million **Rakhine** people living in Myanmar to discover the love of Jesus through FEBC's broadcasts in this region. May the Lord soften the hearts of those who are resitant and strengthen the small number of Rakhine believers as they grow in their faith.
